

# Need a Lifeline to Sustain Your Professional Development?

With school budgets facing severe fiscal challenges, a shared service model can provide immediate relief for your district.

As a supplement to existing efforts in instructional technology, the LHRIC Model Schools team can deliver sustainable and cost effective professional development to meet any budget and schedule.

Examples of content include:

- 21st Century Skills
- Web 2.0
- Interactive White Boards
- Ethics and Policy for Safe Computing
- Multimedia in the Classroom
- Digital Storytelling & Instructional Movie Making
- Visual Literacy
- Online Learning

...and much, much more
